

## **Programme EUSCREEN study meeting – Poznań, March 8, 2019**

**(Medical University Congress Centre, 37A Przybyszewskiego St)**

### **Registration and reception**

08:00 – 08:30 (incl. tea/coffee and snacks)

### **Plenary morning session**

**08:30 – 09:00 Welcome**

**09:00 – 10:30 Plenary session (Conference room A); presentations:**

09:00 – 09:10 Data collection on general screening programmes (Jan Kik, Erasmus MC)

09:10 – 09:20 Data collection on hearing screening programmes (Andrea Bussé, Erasmus MC)

09:20 – 09:30 Summary of existing hearing screening programmes (Allison Mackey, Karolinska Institutet)

09:30 – 09:40 Data collection on vision screening programmes (Mandy Nordmann, Erasmus MC)

09:40 – 09:50 Summary of existing vision screening programmes in Europe (Jill Carlton, University of Sheffield)

09:50 – 10:00 Implementation of neonatal hearing screening (Birkena Qirjazi, University of Tirana)

10:00 – 10:15 Implementation of vision screening in Cluj-Napoca (Alin Vladescu, DASM Cluj-Napoca)

10:15 – 10:30 Development of the vision and hearing screening micro-simulation models (Eveline Heijnsdijk, Erasmus MC)

**10:30 – 11:00 Break (incl. tea/coffee and snacks)**

**11:00 – 12:30 Plenary session (Conference room A); presentations:**

11:00 – 11:10 Vision screening in European countries: what is there still to achieve? (Helen Griffiths, University of Sheffield)

11:10 – 11:20 Benchmarking the quality of neonatal hearing screening programmes – what have we learned? (Inger Uhlen, Karolinska Institutet)

11:20 – 11:30	Amblyopia: assessment and research (Maria Fronius, University of Frankfurt)
11:30 – 11:40	On the use of photo screening (Anna Horwood, University of Reading)
<b>11:40 – 12:20</b>	<b>Free papers</b>
11:40 – 11:50	Screening in India (Hans Limburg)
11:50 – 12:00	Belgian perspective (Coralie Hemptinne)
12:00 – 12:10	Screening and treating amblyopia: are we making a difference? (Yair Morad)
12:10 – 12:20	Assessing and monitoring the impact of the national newborn hearing screening program in Israel (Lisa Rubin)

**12:20- 14:00 Lunch**

**Plenary afternoon session**

**14:00 – 15:00 Plenary session (Conference room A); presentations:**

14:00 – 14:15	Priorities in child health: extending the EUSCREEN model to Low and Middle Income Countries (Mirjam Valk Bonilla, Erasmus MC)
14:15 – 14:30	Scaling up UNHS in Albania (Enver Roshi, University of Tirana)
14:30 – 14:45	Difficulties with screening in rural areas in Cluj County (Mihai Mara, UMF-Cluj)
14:45 – 15:00	Cost-effectiveness model: examples of countries with too much or too little screening (Mirjam Valk Bonilla, Erasmus MC)

**Simultaneous afternoon sessions (optional model demonstration/try-out)**

*Choice between attending a demonstration of the prototype or participating in a practical exercise with the model prototype (the latter is interesting especially for those who work with cost-effectiveness models).*

15:00 – 16:30	Model demonstration (Conference room A)
15:00 – 16:30	Model try-out with practical exercise for hearing screening (Senate room)
15:00 – 16:30	Model try-out with practical exercise for vision screening (Lecture room C)

**16:30 – 17:00 Break (incl. tea/coffee and snacks)**

**Plenary feedback session**

17:00 – 18:00	Plenary discussion
---------------	--------------------

**Dinner**

18:00 – 22:00	Bazar Poznanski
---------------	-----------------
